

Scouts

**Bramhope Campsite and
Activity Centre**

Welcome!

Bramhope Campsite is located on the edge of the Yorkshire Dales. Set in 13.5 acres of peaceful countryside the campsite is contained by natural boundaries including a traditional dry stone wall.

With 5 independent fields for camping we can accommodate groups of any size. If sleeping under canvas or even under the stars isn't for you, Bramhope boasts excellent accommodation including a newly refurbished modern shower block. With lots of options including 3 indoor accommodation blocks of various sizes we can always meet your needs.

We offer a range of activities on site including a purpose built climbing tower and a brand new low ropes course. Whether it's traditional activities like pioneering / orienteering and backwoods cooking or extreme adventure that you're after Bramhope Campsite has it all.

We're proud of the volunteers who work incredibly hard to develop the site. If you are interested in volunteering there is information on how to do so within the brochure.

I would love to hear from you to find out how we can help, or why not arrange to come and visit our amazing site!

Jo Collins
Bramhope Campsite Manager
