

DB Entertainment Risk Assessment
 Fun Fair Side Stalls Including Tin Can All, Coconut Shy, Hook a duck, Hoopla. Cactus Lassoing,
 Stocks, Photo Cut out Boards, Basket Ball Challenge, Penalty Shoot Out, Giant Games Jenga , Childs High Striker and Connect 4

HAZARD	EXISTING CONTROL MEASURES	HARM (1-5)	LIKELY HOOD (1-5)	RISK (H xL)	FURTHER CONTROLS TO REDUCE RISK
Injury caused by stall or equipment tipping over	Ensure units are strapped together and set up by a trained operator. If possible outsidess on grass units should be staked down.	1	3	3	Extra precaution, checks and strapping in windy conditions. If weather is too extreme, operator has the right to stop the stall activities.
Stall collapsing	All sides and tops are Vectored securely on and strapped together with toggles. Steel work should be slotted in together.	1	3	3	Extra precaution, checks and strapping in windy conditions. If weather is too extreme, operator has the right to stop the stall activities.
Guests or operator being hit by activities – dependant on stall	All guests must throw/shoot from behind the bunted area. The operator will stand to the side of the activity and manages the queue to ensure no one is in a dangerous position. Operator will instruct the player on where to throw. Players are advised that most games are tests of accuracy, not strength.	2	3	6	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Guests being injured by falling over the barriers	Operator has good queue management and recognises unruly behaviour.	1	2	2	With prior notice of large numbers attending the event additional trained operators can be supplied at an extra fee.
Operator may suffer strains or bruises from carrying heavy/bulky objects	Loads are kept light and small, if the equipment is too heavy for one person, a second member of staff will be provided to help set up.	1	1	1

L=Likelihood H=Harm H X L = Risk Score with
 1 = Lowest Risk and 25 = Highest

Harm and likelihood are worked out using numbers 1- 5. These are then multiplied to give the risk score
 . We recommend that clients undertake their own risk assessment to suit individual needs.

We strive to have no risk score over 10 and anything over 20 would result in DB Entertainment not running the kit
 Risk assessment for DB Entertainment

Specific ride Covid-19 secure addition measures to ensure a 2m distance is maintained and risk mitigated

- The operation of one entrance in and a separate exist out and the limit of participants at any one time
- Hand sanitiser available at the start
